This Patient Form packet contains 3 pages to be completed by the patient. Please fill out all sections completely.

For new “Open Access” patients, these forms allow you to schedule your colonoscopy and/or upper endoscopy (EGD) without an initial office visit with the provider.

When submitting paperwork to the office, please be sure to include the following:

- Front and back copy of your insurance card
- Referral from your PCP, if required by your insurance
- Medication list that includes both the name and dosage of the medication
- Ensure page 1 has a valid height and weight listed for the patient

Forms may be submitted via our website, fax, mail, or dropped off in person.

Upon receiving all required information, your chart will be submitted to the doctor to review and write the order for the procedure. The office will be contacting you to schedule once the order is written.

Thank you,

The Physicians & Staff at Hampton Roads Gastroenterology
